Failure to do so will result in any and all warranties being canceled.

If puppy/dog does not pass a general health exam, Buyer agrees to notify breeder within 72 hours and provide a copy of the original signed licensed veterinary statement of health. Minor, treatable problems such as diarrhea, coccidiosis, parasites, etc. are common problems in puppies especially under stress of new circumstances, and will not be covered by this warranty although every effort is made to prevent this. Buyer acknowledges that Seller is not responsible for Buyer's veterinary expenses at any time or under any circumstance.

Seller also warrants this puppy free from "genetic defects", such as, deafness, serious eye defect, that would prevent the puppy from being a companion animal, until the puppy reaches one year of age. If this puppy is found to have a genetic defect of this kind, this must be verified by a licensed certified veterinarian. In case of a genetic eye deformity, written notification must come to the Seller from a Board Certified Veterinary Ophthalmologist.

If one of the above listed "genetic disorder" is found, Seller will then replace the puppy with one of the same sex and coat color from the first available litter (puppy to be determined by the Seller). The puppy/dog shall be returned to the Seller at the Buyer's expense, If Buyer wants to keep the puppy, it must be neutered or spayed at Buyer's expense and they will be able to purchase another puppy, of their choice, from the Sellers and will be given a price discount of an amount equal to 50% of the purchase price of the original puppy. **Breeding/Breeding rights:**

Only those dogs sold with "Full registration" are to include breeding rights. If purchasing a puppy/dog with "Limited registration" buyer agrees to spay/neuter this puppy/dog on or before two years of age, unless stated with written proof to be unsafe for this animal by a licensed Veterinarian.

(Stud service is defined as offering to breed above stated puppy/dog to dog(s) not owned by buyer, ship semen for use on dog(s) not owned by buyer, or offer artificial insemination to dog(s) not owned by buyer). Should this dog be rehomed/sold with breeding rights, buyer agrees to explain the terms described under the "Breeding/Breeding rights" section of this contract.

**Purchase agreement:**

If at any point in the future, the Buyer cannot keep this puppy/dog, the Seller agrees to assist in finding this animal a new home. At any time, the Buyer can surrender the dog back to the Seller. Puppy is warranted only for the purpose of being a pet/companion animal. Although it could be capable/suitable of performing other functions, such as show or breeding quality, no warranty is being given that purpose. If used for breeding (and full registration is purchased), the Seller ask that the Buyers do so responsibly, and recommend that males must be at least one year of age before used for breeding and females at least one and a half years of age and had at least one prior heat cycle before being bred. \*See Breeding/Breeding rights section above.
